Beachfront Workouts—Set Alongside The Beautiful Beaches Of Riviera Maya

Workout in the open air and spectacular surroundings of the Mexican Riviera!

Your Destination Wellness Vacation combines state-of-the-art fitness facilities, first-class accommodations & all of the amenities of a 5-star resort – set alongside the beautiful beaches of the Riviera Maya. These luxury resorts are strung along Riviera Maya's shore line, each offering pristine stretches of white sand beachfront. Allow yourself to savor every detail of your vacation experience.

Whatever your desire, El Dorado Spa Resorts, by Karisma can fulfill it.

- The beach is your gym and we will connect you to the most exhilarating workout experience you have ever had.

- Training with your fitness expert as the sun is shining and the warm Caribbean breeze is blowing and the sounds of the waves crashing.

- Working your body in this arena of fitness training not only does wonders for you health but will strengthen your spirit.

We completely transform your customized beach front gym, with all the state of the art equipment we have there on site for you at the beach, we connect you to the experience of your very own Beachfront Studio.
